FNAZ Lore Book

One day a young man name daniel decided he wants to create hes own showbiz restaurant but theres only one problem he din't know when to start so he asked hes older brother danny winbelton.

He tells Daniel about a showbiz diner named logan diner owned by Jake and logan so Daniel visited the place for inspiration. ''hello there'' said Daniel ''ah welcome to logan diner'' said logan. Daniel was Amazed by the two animatronics performing in stage and the lovely decorations with the smell

of daisys and roses and the yummy foods so Daniel left with alot of work to do and began to make bluprints and saved alot of money from hes former job as a McDonald's employee for the restaurant.

Daniel opened a small showbiz restaurant called zoms cafe it had a small budget it had no toilets but it was a success. After that Daniel became fairly rich and shared some of hes money to hes older brother. It had 4 animatronics a skeleton named Mr bones, a creeper named Ms c, a human named Steve and most importantly a zombie named zom.

One day Daniel hired a woman named Octavia it feels like everything is going well untill. A fire burn down the diner it is unknown what caused the fire but all of the props and animatronics Were destroyed. After the incident a random two package showed up at Daniels door he opened both of them and inside WERE two springlock Suits a cat named teal and
a golden version of logan.

He decided to keep it in hes garage until he moved them somewhere safe, Daniel started having nigthmares where the golden suits came to life and tried to kill him but it was a nigthmare.

A day later Daniel opened another showbiz restaurant called zoms pizza and fun it had a bigger budget than the previous one even having a bathroom. Danny and daniel grew suspicious on Octavia but it was just a guess. During this time he moved both the golden logan and teal in the safe room Daniel also found another

golden animatronic near the back Allie he named it spring popular because why not One day Daniel and dan Were talking about an old restaurant called freddy fazbears pizza it was recently closed due to five mising kids
''we should buy that dying restaurant called freddy fazbears pizza'' said Daniel ''look Daniel we don't have
th-''. Said danny

Sudely they hear two childish screams coming from the saferoom
"Www-WHAT THE HELL WAS THAT" said Daniel in shocked
"I-i don't know" said danny
they rushed there as fast as they can and what they Saw was shocking.

They find Octavia holding a knife with two dead kids on the ground they WERE shocked. Octavia then attacks danny slicing hes face. Then Daniel pushes Octavia into the teal springlock suit. A drop of water fell into the suit and Octavia gets crushed alive both Daniel and dan escaped

and blocked the entrace to the safe room. After that Daniel hired a nigthguard to guard the place
After that Daniel decided to make a factory dedicated to the zom brand. Daniel decided to sleep for the day having nigthmares of nigthmarish versions of the zom pizza and fun characters. The end of #1
